

BWABC

Briar Woods Athletic Booster Club

A non-profit 501 © 3 organization

Mission Statement

The purpose of the BWABC is to exist as an organization of parents and community persons that is dedicated to:

- a) supporting, encouraging and advancing the athletic program and related activities of Briar Woods High School, thereby generating school spirit, promoting good sportsmanship, establishing good character amongst its athletes and students and fostering camaraderie within the school community;
- b) promoting programs and projects to provide a strong, healthy and competitive athletic program for the school, and;
- c) financially supporting the athletic department, its programs and goals, including, but not limited to, the awarding of scholarships to those athletes that participate in a Virginia High School League sport at Briar Woods High School.

Frequently asked Questions

How do I sign up for high school sports? Visit the Briar Woods High School Athletic website and click on "Registration" and follow the instructions. Fill out all the required forms and information on line. Hand in a VHSL Physical to the main office to Ms. Curry. **Any on-line issues, please contact Lucia Curry at 703-957-4400**

What are green days? Green days are out of season practices held by each program. They have no bearing on making the team and are not required. It provides an opportunity for those students who are not participating in a current sports season to practice.

Do I need to have all paperwork turned in for green days? Yes!!!

How do I get in the loop with information about green days, tryouts and other off-season workouts? See the above list of sports and email the coach of that sport. **Check the website.**

If I do not make a team, can I go out for a different sport during the same sports season? Yes, if there is another sport that is not making cuts (wrestling) or if times or distance are being used for qualifying standards (cross country and track), then you may join that team if the standards are met.

Is it okay to play on a club team during my school season? Yes, see the Independent Team Rule on the back cover.

Is it okay to play more than one sport over the course of the school year? LCPS allows students to only play one sport during each sports season, however we absolutely encourage students to participate in multiple sports over the course of the school year.
